

Jeffco Public Schools School Age Enrichment (SAE) At Dennison Elementary

SAE Activities

- Play based learning centers (reading, dramatic play, art, construction)
- Homework time
- Nutritional snack
- Physical Activities
- STEAM Activities

Mission Statement

The Jefferson County School Age Enrichment Program (SAE) strives to provide a true enrichment program.

We plan intentionally for active and play based learning experiences to support the success of all students. Students may select from a variety of recreational and enrichment opportunities that will support their physical, cognitive, emotional and social development.

- SAE is Jeffco's centrally managed before and after school program, all staff are Jeffco Public Schools employees
- SAE programs operate within the school building, eliminating the need for students to be transported off-site
- All programs are aligned with district Safety and Security policies
- All programs work collaboratively with the school community to best meet student needs
- All programs are licensed by the State of Colorado Department of Human Services
- SAE maintains a 1:15 staff to student ratio at all times
